

BUILDER'S PLAN / 02 MODEL

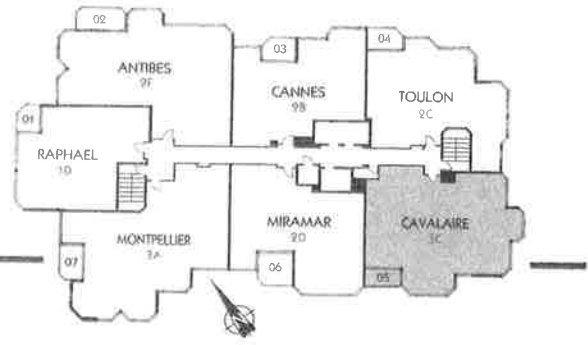

ANTIBES

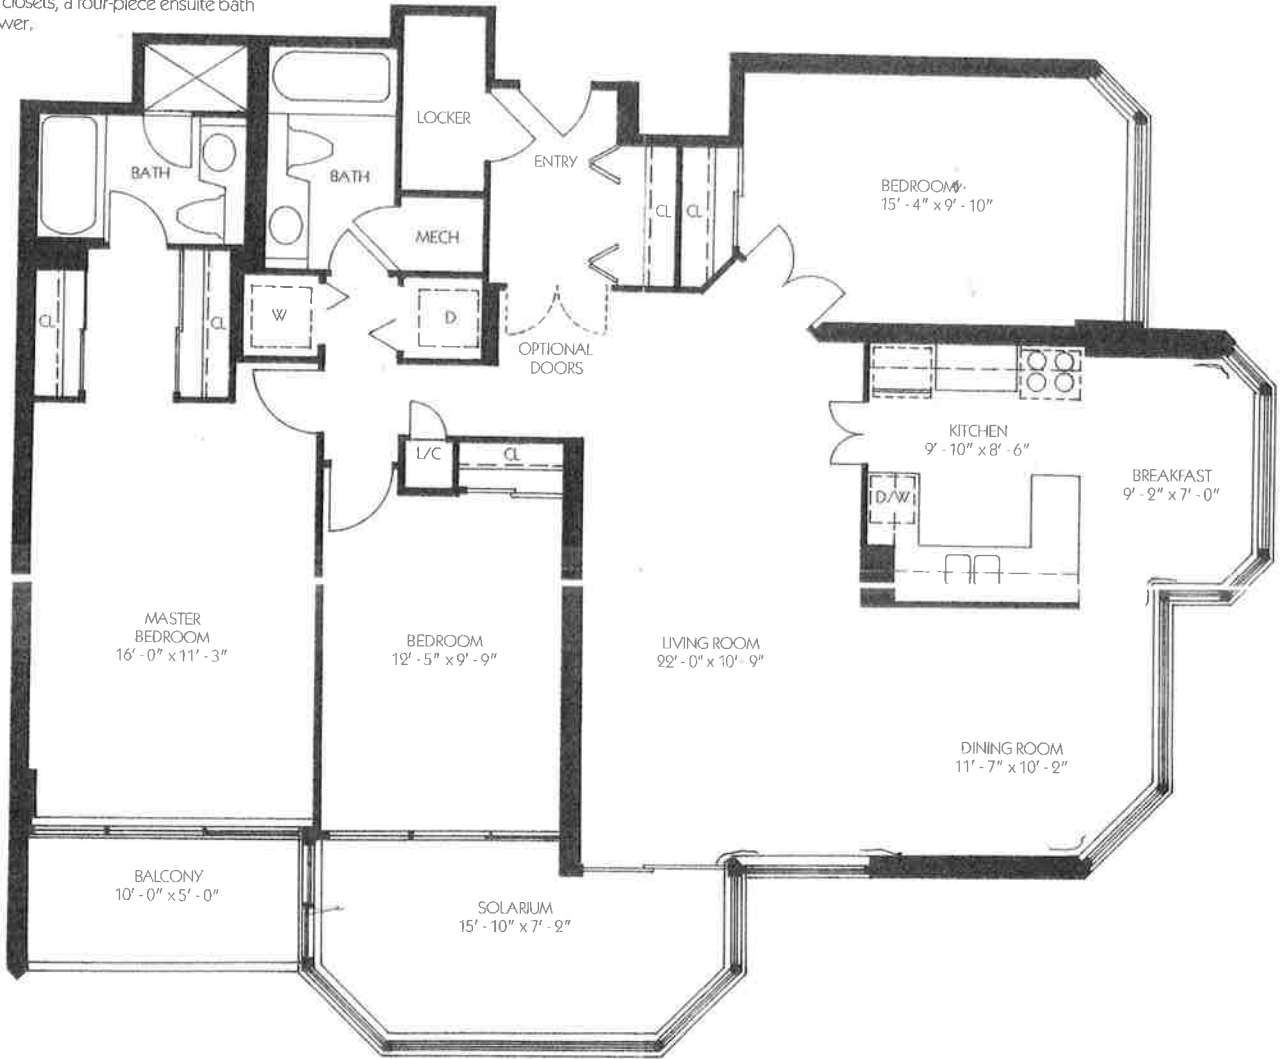

CAVALAIRE

3C—Three Bedroom Suite

1587 square feet 147.5 square metres

- Here are standards of space and design that could only be found at Riviera. A residence of extraordinary proportions.
- The formal entry foyer opens into the living and dining areas, bright with sunlight from huge windows and a large solarium.
- The kitchen is highlighted by an adjoining greenhouse breakfast room — perfect for enjoying the morning sunshine.
- Boasting its own balcony, the master suite is spacious with twin closets, a four-piece ensuite bath and a separate shower.

MIRAMAR

Two Bedroom Suite

45 square feet 125 square metres

Luxury such as this could only be found at Riviera.
 Miramar rivals the city's finest homes.
 The generously sized living and dining area allows the
 most inventive of furniture arrangements. Parties can
 spill outdoors to a large balcony overlooking the
 Jean Moulin parkland.
 The kitchen is designed for efficiency, including a
 sunny breakfast room with sliding patio doors to the
 balcony.
 The pampering master suite features a walk-in closet
 and a sumptuous ensuite bath that includes an
 oversized shower stall and a step-up oval tub.

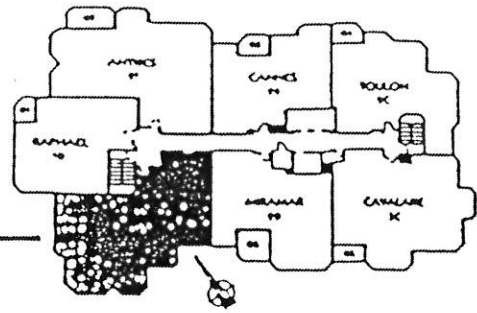

RIVIERA

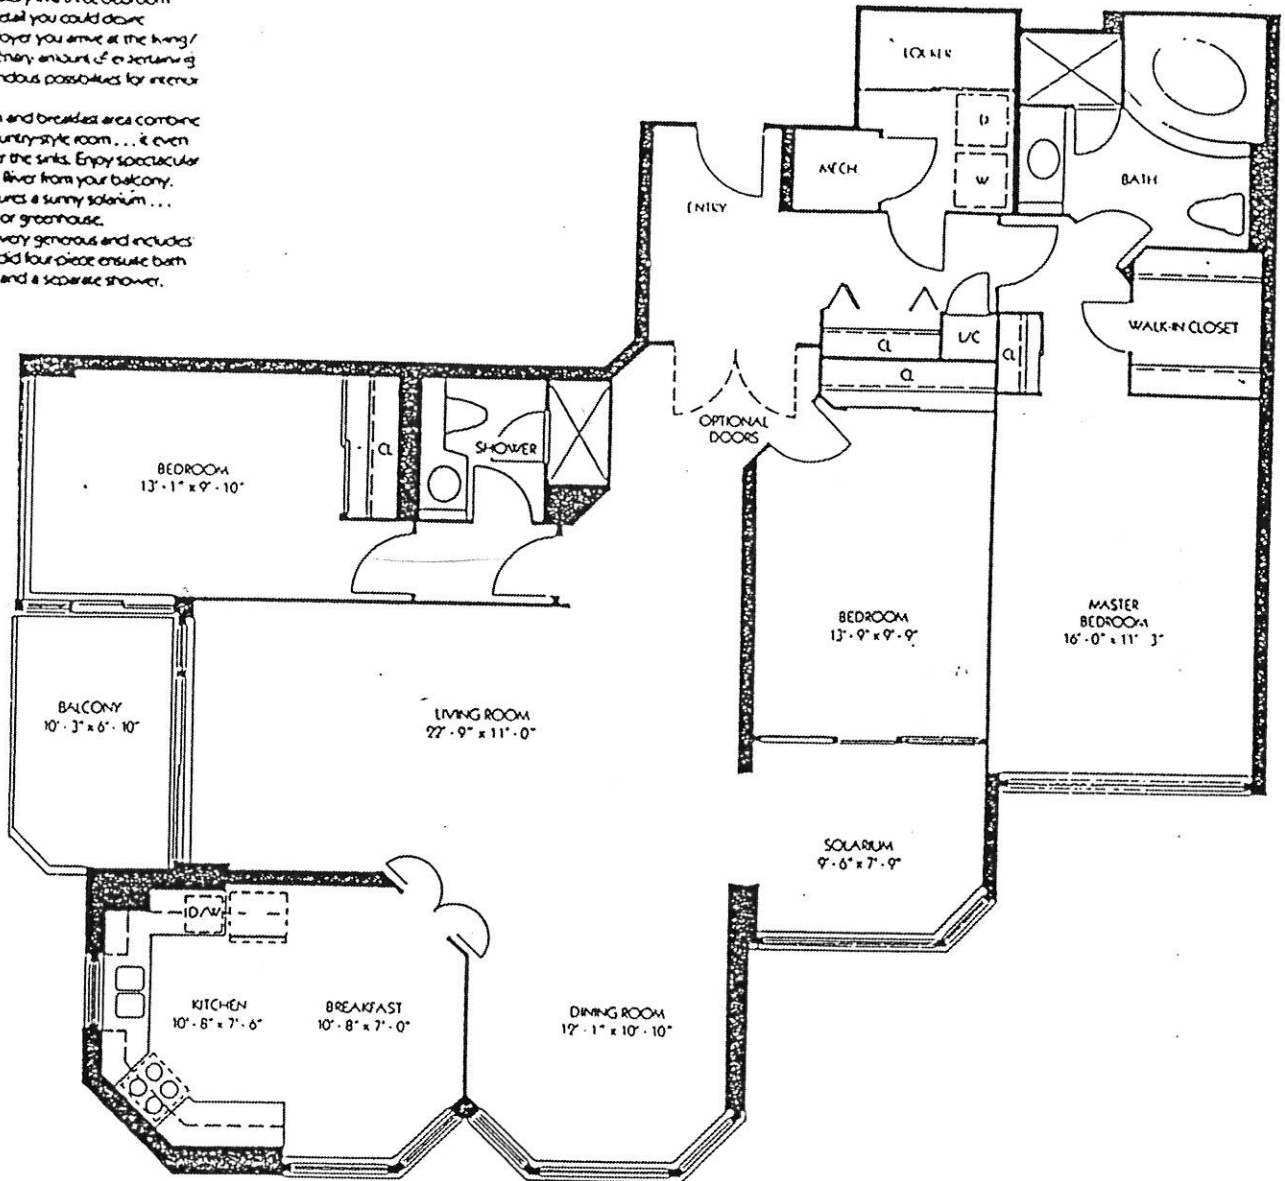

MONTPELLIER

3A—Three Bedroom Suite

1764 square feet 163.8 square metres

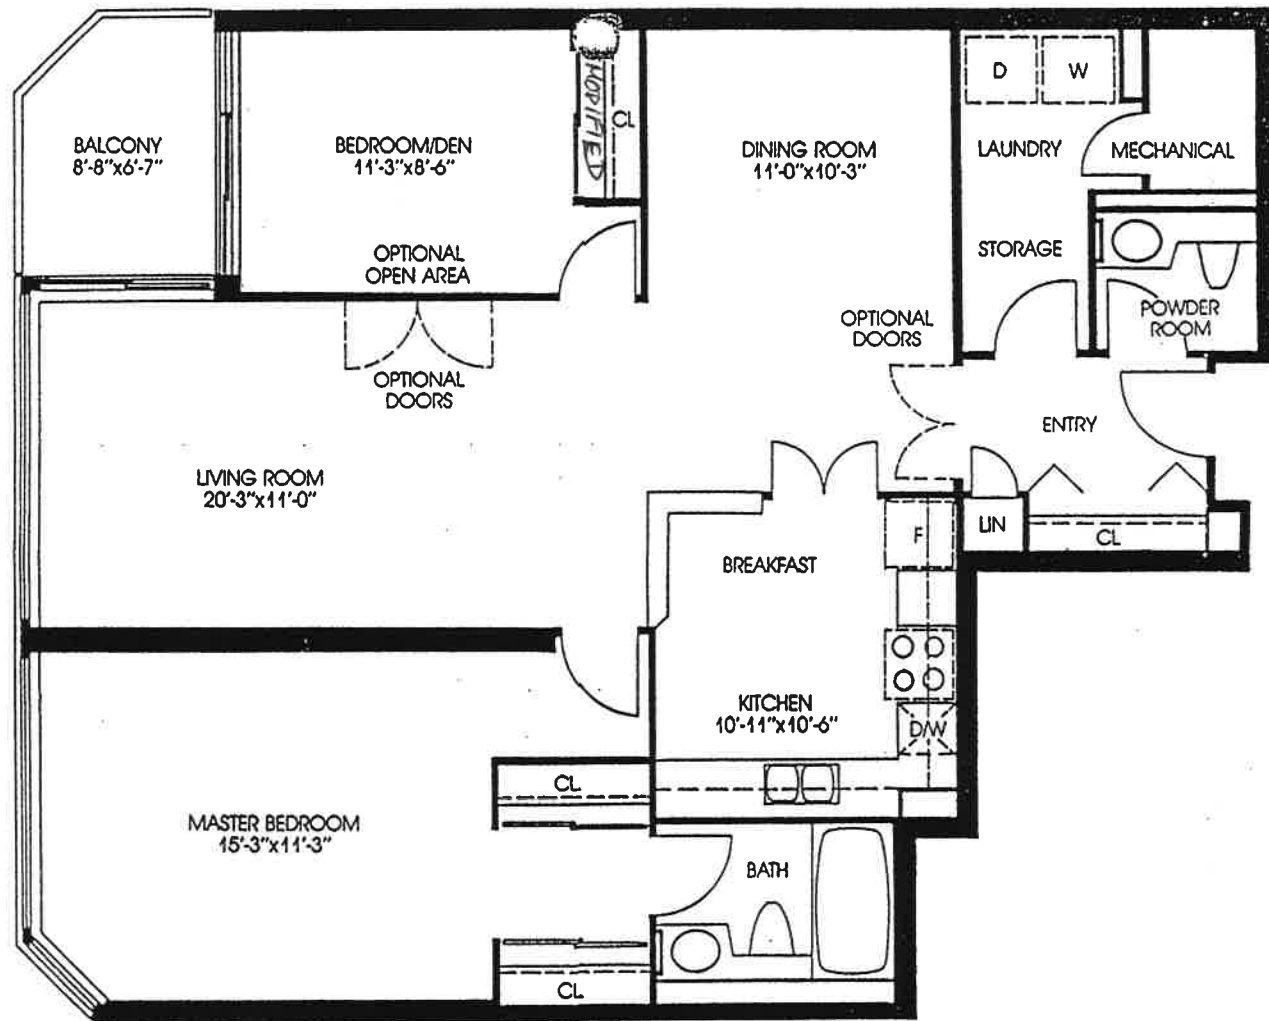

- The ultimate in Riviera luxury in a three-bedroom residence with every detail you could desire.
- Through a grand entry foyer you arrive at the living/dining area, an extraordinary amount of entertaining space that offers tremendous possibilities for interior decorating.
- The large corner kitchen and breakfast area combine to become a cheery country-style room... it even includes a window over the sink. Enjoy spectacular sunsets over the Rideau River from your balcony.
- The third bedroom features a sunny solarium... ideal for use as a studio or greenhouse.
- The master bedroom is very generous and includes a walk-in closet, a splendid four-piece ensuite bath with a step-up oval tub and a separate shower.
